

Permanent Makeup

LIP HEALING STAGE

DAY 1

Lips look bright and feel swollen and tight

DAY 5-6

Lips feel almost normal. Scrabbing should almost be gone

DAY 2

Lips are much darker, they feel swollen and dry. Use your healing cream!

DAY 7

Lips are healed! colour looks much lighter

DAY 3-4

The skin is scabbing and colour is fading

4-6 WEEKS

Colour is great! There are few uneven spots. Time for touch up
